Spirulina Powder

Spirulina Powder is a nutrient-rich superfood packed with protein, vitamins, minerals, and antioxidants. It is a popular natural supplement used worldwide to support daily nutrition, energy levels, and a healthy lifestyle.

Uses:

- Health Supplements
- Fitness Nutrition
- Wellness Products

Packaging:

- 100g, 250g, 500g & 1kg Pouches
- Food-Grade Jars
- Bulk Packaging Available

Benefits:

- High Plant-Based Protein
- Antioxidant Rich Formula
- Supports Energy & Vitality

Black Pepper

Known as the “King of Spices,” black pepper is prized for its strong, spicy flavor. Aviquon’s black pepper is sun-dried and steam-cleaned to retain aroma and oil content. Ideal for export to the UAE food sector.

Uses:

- Spice blends (Baharat, Garam Masala)
- Meat rubs, stews, marinades
- Food processing, HORECA

Packaging:

- Retail: 100g, 250g, 1kg
- Bulk: 25kg PP/PE bags
- MOQ: 500 kg (bulk) / 500 units (retail)

Features:

- High piperine content (4–6%)
- No preservatives
- Halal, FSSAI, Phytosanitary certified

Moringa Powder

Moringa Powder is made from premium-quality moringa leaves and is rich in vitamins, minerals, and natural antioxidants. It is an excellent choice for supporting balanced nutrition and overall wellness.

Uses:

- Herbal Health Supplements
- Tea & Health Drinks
- Smoothies & Juices

Packaging:

- 100g, 250g, 1kg
- Bulk Supply Available
- Custom Packaging Solutions

Features:

- Rich in Vitamins & Minerals
- Natural Antioxidant Source
- 100% Natural & Pure

Chilli

Our premium red chilli varieties include Teja, Sannam, and Kashmiri – sun-dried and processed to retain natural heat and vibrant color.

Premium-grade dried red chillies, handpicked and sun-dried to perfection. Ideal for home cooking, restaurant use, or spice blends. No additives, 100% natural, and packed to preserve freshness.

FEATURES :

ASTA color grade 40–160+
Adjustable heat (mild to extra hot)
Halal, FSSAI, Phytosanitary certified

PACKAGING :

Retail: 100g, 250g, 500g
Bulk: 25kg PP/PE bags
MOQ: 500 kg (bulk) / 500 units (retail)

Cumin

Aviquon's cumin seeds are aromatic, uniform, and machine-cleaned. Sourced from India's best cumin-growing belts.

Features:

Strong aroma & flavor
100% pure, clean, and sorted
Halal, FSSAI, Phytosanitary certified

Packaging:

Retail: 100g, 250g, 1kg
Bulk: 25kg PP/PE bags
MOQ: 500 kg (bulk) / 500 units (retail)

Rich in antioxidants, iron, and anti-inflammatory compounds, cumin supports digestion, boosts immunity, and may help control blood sugar levels. It's commonly consumed in warm water or teas for detox and digestive relief.

Cloves

Aviquon offers export-grade cloves with a rich, warm aroma and high oil content. Ideal for flavoring food, beverages, and traditional remedies.

Features:

High eugenol (clove oil) content
Handpicked & sun-dried
Halal, FSSAI, Phytosanitary certified

Packaging:

Retail: 50g, 100g, 250g
Bulk: 10kg–25kg PP bags
MOQ: 500 kg (bulk) / 500 units (retail)

Handpicked, whole dried cloves packed with essential oils for superior aroma and flavor. Ideal for cooking, herbal remedies, and home use. 100% natural and non-GMO.

Cinnamon

Aviquon supplies sweet and aromatic cinnamon with a delicate woody flavor. Available in both Ceylon and Cassia varieties, ideal for sweet and savory applications.

Packaging:

Retail: 50g, 100g, 250g

Bulk: 10kg–25kg PP bags

MOQ: 500 kg (bulk) / 500 units (retail)

Features:

High essential oil content

Naturally dried, no chemicals

Halal, FSSAI, Phytosanitary certified

Packed with antioxidants and anti-inflammatory properties, Aviquon Cinnamon supports blood sugar control, boosts immunity, and promotes heart health. A daily sprinkle goes a long way in your wellness routine.

Turmeric

Our turmeric is rich in curcumin and has a vibrant golden color. Sourced from the finest farms, it's processed hygienically to maintain its natural potency.

Packaging:

Retail: 100g, 250g, 500g

Bulk: 25kg PP/PE bags

MOQ: 500 kg (bulk) / 500 units (retail)

Renowned for its anti-inflammatory and antioxidant properties, Aviquon Turmeric supports joint health, boosts immunity, and aids digestion. It's a natural superfood trusted in traditional and modern wellness.

Features:

Curcumin content 2.5%–4%+

No preservatives or additives

Halal, FSSAI, Phytosanitary certified

Coriander

Aviquon's coriander seeds are bold, citrusy, and flavorful. Machine-cleaned and sun-dried, available in split or whole seed format.

Packaging:

Retail: 100g, 250g, 1kg

Bulk: 25kg PP/PE bags

MOQ: 500 kg (bulk) / 500 units (retail)

Harvested from responsibly grown crops and sun-dried to retain natural oils, Coriander is packed with flavor, aroma, and nutritional value. Sustainably sourced and quality-assured.

Features:

Rich aroma & lemony taste

No chemical treatment

Halal, FSSAI, Phytosanitary certified

Bay leaf

Our dried bay leaves are large, whole, and aromatic with a slightly bitter taste – widely used in Middle Eastern, Indian, and Mediterranean cuisine.

Packaging:

Retail: 25g, 50g, 100g

Bulk: 5kg, 10kg, 20kg PP bags

MOQ: 300 kg (bulk) / 500 units (retail)

Features:

Large, unbroken leaves

Naturally sun-dried

Halal, FSSAI, Phytosanitary certified

Nutmeg

Nutmeg is a warm, sweet spice used in sweet and savory dishes. Aviquon provides whole and ground nutmeg with high oil content and strong aroma.

Packaging:

Retail: 50g, 100g, 250g

Bulk: 10kg–25kg PP bags

MOQ: 500 kg (bulk) / 500 units (retail)

Features:

High volatile oil content

Whole & double-sorted nuts

Halal, FSSAI, Phytosanitary certified

Mustard seed

We supply both black and yellow mustard seeds with strong pungency and natural oil content – ideal for pickling, tempering, and oil extraction.

Packaging:

Retail: 100g, 250g, 500g

Bulk: 25kg PP/PE bags

MOQ: 500 kg (bulk) / 500 units (retail)

Cultivated in nutrient-rich soil and processed under strict quality control, Aviquon Mustard Seeds retain their natural oils and flavor. Sustainably grown for superior freshness and purity.

Features:

High oil content

Color-sorted and machine cleaned

Halal, FSSAI, Phytosanitary certified

Cardamom

Green cardamom is a premium spice with a unique sweet, aromatic flavor. Aviquon offers bold-sized pods with high oil content, ideal for both culinary and beverage use in the UAE.

Packaging:

Retail: 50g, 100g, 250g

Bulk: 5kg, 25kg PP bags

MOQ: 500 kg (bulk) / 500 units (retail)

Features:

Rich aroma, 6–8mm size pods

No artificial color or flavor

Halal, FSSAI, Phytosanitary certified

Handpicked from lush plantations and naturally dried to preserve essential oils, Cardamom reflects our commitment to sustainable sourcing, purity, and superior quality.

Ginger

Aviquon offers sun-dried ginger with strong flavor and aroma, perfect for culinary, health, and herbal uses in the UAE.

Packaging:

Retail: 100g, 250g, 500g

Bulk: 25kg PP/PE bags

MOQ: 500 kg (bulk) / 500 units (retail)

Features:

Strong aroma & zingy taste

Low moisture, high purity

Halal, FSSAI, Phytosanitary certified

Responsibly grown and sun-dried to retain natural oils, Ginger is processed under strict quality standards to ensure purity, freshness, and maximum health benefits.

Fenugreek

Aviquon's fenugreek seeds are bold, bitter, and aromatic – widely used in both food and herbal applications. Cleaned, dried, and graded for export quality.

Packaging:

Retail: 100g, 250g, 500g

Bulk: 25kg PP/PE bags

MOQ: 500 kg (bulk) / 500 units (retail)

Features:

Strong aroma and bitterness

Naturally dried, machine-cleaned

Halal, FSSAI, Phytosanitary certified

Rich in fiber, iron, and plant compounds, Fenugreek supports digestion, regulates blood sugar, and promotes lactation. A time-tested herbal remedy trusted for generations.
